

TRANSFORMATIONAL CHANGE ASSESSMENT REPORT GENERAL INTERVENTIONS TOOL

Report Date: Tue Nov 21 2023

Table of Contents

1. Portfolio of Interventions Information	10
1.1 Describe the portfolio	11
2. Impacts comparison	13
2.1 Processes impacts comparison	13
2.2 Outcomes impacts comparison	14
3. Aggregation	13
4. SDG Alignment	13

1. PORTFOLIO OF INTERVENTIONS INFORMATION

1.1 Describe the portfolio

Information	Description
Portfolio ID	2023PT014
Name	TM Test
Description of the Portfolio	test2
Date	N/A
Objectives of the assessment	Obj1
Intended audience(s) of the assessment	Sample Audience
Previous assessments the present assessment is an update of	null

Intervention ID	Intervention name
INV008	10 MW solar power projects at Puttalam District
INV002	TC Uganda Geothermal

2. IMPACTS COMPARISON

2.1 Processes impacts comparison

INTERVENTION INFORMATION				TECHNOLOGY			
Id	Intervention name	Tool Applied	Status	Research and development	Adoption	Scale up	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	-	-	-	-
INV002	TC Uganda Geothermal	Other Interventions	Completed	-	Likely (60-90%)	-	-

INTERVENTION INFORMATION				AGENTS			
Id	Intervention name	Tool Applied	Status	Entrepreneurs	Coalition of advocates	Beneficiaries	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	-	-	-	-
INV002	TC Uganda Geothermal	Other Interventions	Completed	-	-	-	-

INTERVENTION INFORMATION				INCENTIVES			
Id	Intervention name	Tool Applied	Status	Economic and non-economic	Disincentives	Institutional and regulatory	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	-	-	-	-
INV002	TC Uganda Geothermal	Other Interventions	Completed	-	-	-	-

INTERVENTION INFORMATION				CATEGORY - NORMS AND BEHAVIORAL CHANGE			
Id	Intervention name	Tool Applied	Status	Awareness	Behavior	Social norms	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	-	-	-	-
INV002	TC Uganda Geothermal	Other Interventions	Completed	-	-	-	-

INTERVENTION INFORMATION				AGGREGATED CATERGORY SCORE				PROCESSES SCORE
Id	Intervention name	Tool Applied	Status	Technology score	Agents	Incentives	Norms and behavioral change	All
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	-	-	-	-	N/A
INV002	TC Uganda Geothermal	Other Interventions	Completed	-	-	-	-	N/A

2.2 Outcomes impacts comparison

SCALE COMPARISON				OUTCOMES			
INTERVENTION INFORMATION				GHG			
Id	Intervention name	Tool Applied	Status	International	National/ sectorial	Subnational/ subsectorial up	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries

SUSTAINED IN TIME COMPARISON				OUTCOMES			
INTERVENTION INFORMATION				GHG			
Id	Intervention name	Tool Applied	Status	Long term	Medium term	Short term	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries

SCALE COMPARISON				OUTCOMES			
INTERVENTION INFORMATION				ADAPTATION			
Id	Intervention name	Tool Applied	Status	international	national/ sectorial	Subnational/ subsectorial up	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries

SUSTAINED IN TIME COMPARISON				OUTCOMES			
INTERVENTION INFORMATION				ADAPTATION			
Id	Intervention name	Tool Applied	Status	Long term	Medium term	Short term	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries

SCALE & SUSTAINED IN TIME COMPARISON				GHG OUTCOMES		
INTERVENTION INFORMATION						
Id	Intervention name	Tool Applied	Status	Scale category score	Sustained category score	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries

SCALE & SUSTAINED IN TIME COMPARISON				ADAPTATION OUTCOMES		
INTERVENTION INFORMATION						
Id	Intervention name	Tool Applied	Status	Scale category score	Sustained category score	Category score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	Outside assessment boundaries

Outcome Level Comparison				Outcomes		
Intervention Information						
Id	Intervention name	Tool Applied	Status	Scale	Sustained	Outcome score
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	N/A
INV002	TC Uganda Geothermal	Other Interventions	Completed	Outside assessment boundaries	Outside assessment boundaries	N/A

3. AGGREGATION

AGGREGATION				
INTERVENTION INFORMATION				
Id	Intervention name	Tool Applied	Status	Expected GHG reductions over intervention lifetime (Mt CO ₂ -eq)
INV008	10 MW solar power projects at Puttalam District	Other Interventions	Completed	0
INV002	TC Uganda Geothermal	Other Interventions	Completed	0
Total				0

4. SDG ALIGNMENT

The following table shows the result obtained by the intervention for each SDG and how this compares to the priority given to each SDG in the country of implementation.

ALIGNMENT				SUSTAINABLE DEVELOPMENT
INTERVENTION INFORMATION				
ID	INTERVENTION NAME	TOOL APPLIED	STATUS	
INV008	10 MW solar power projects at Puttalam District	Other interventions	Completed	
INV002	TC Uganda Geothermal	Other interventions	Completed	

ALIGNMENT				SUSTAINABLE DEVELOPMENT
INTERVENTION INFORMATION				
ID	INTERVENTION NAME	TOOL APPLIED	STATUS	
INV008	10 MW solar power projects at Puttalam District	Other interventions	Completed	
INV002	TC Uganda Geothermal	Other interventions	Completed
